**Saturday June 7, 2014**

9:00 a.m.	1 vs. 3
11:00 a.m.	2 vs. 4
2:00 p.m.	Championship Game

## **Home Team/ Tie Break Information**

The following procedure will be used to decide the home team and to break ties:

The home team for all games except the crossover play-off games will be decided by a coin toss. For crossover games, the first place team in each pool will be the home team. In a four-team round robin, the first place team advancing to the championship shall be the home team.

At the conclusion of the round robin, the following steps will be used to break ties:

### **If two (2) teams are tied**

Head to Head. The team which beat the other will be awarded the higher position.

### **If three (3) teams are tied**

When this process is started, we must follow the steps below until all three teams are positioned.

1. If three teams are tied, positioning will be determined by (involving games among tied teams) difference plus or minus of total runs scored, with a limit of seven (7) Fast Pitch and ten (10) Slo-Pitch, plus or minus per game, in 4 1/2, 5 1/2, 6 1/2, 7 1/2, 8 1/2, etc., innings back to 4, 5, 6, 7, 8, etc., full innings.
2. If three teams are still tied, the same method will be used for all games played.
3. If still tied, most runs scored among tied teams.
4. If still tied, most runs scored in total round robin.
5. If the three are still tied, the highest team will be chosen by a coin flip.  
(Each team of the 3 tied will flip a coin, odd flip is awarded the lowest position and the other two teams then flip 1 coin for the higher position.)
